

MTech programs

- **MTech (Mechanical Engineering Design, Signal Processing, Biomedical Instrumentation), with unique feature of one year internship.**
- **MTech Mechanical Engineering Design**
- **90% students got internship (70% in Industry and 30% in Research Organisation)**
- **MTech E&Tc Signal Processing**
- **80% students got internship (75% in Industry and 25% in Research Organisation)**
- **MTech Instrumentation and Control Biomedical Instrumentation**
- **50% students got internship in Research Organisation**
- **Stipend Ranging from INR 28000 to 7000 PM**
