IIC objectives -

The functions of IIC as stated by MoE include,

➔ To conduct various innovation and entrepreneurship-related activities prescribed by Central MIC in time bound fashion.

➔ Identify and reward innovations and share success stories.

➔ Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.

➔ Network with peers and national entrepreneurship development organizations.

➔ Create an Institution’s Innovation portal to highlight innovative projects carried out by the institution's faculty and students.

➔ Organize Hackathons, idea competition, mini-challenges etc. with the involvement of industries.

The college IIC team aims at executing the stated functions with a well drafted time plan. It will organize various activities in coordination with eminent personalities from industry, research institutes and higher education institutes.
