

VISION

TO EQUIP WOMEN WITH AN
EXCELLENT EDUCATION IN COMPUTER
ENGINEERING ENABLING THEM TO
PLAY SIGNIFICANT LEADERSHIP
ROLES IN TECHNOLOGY
AND SOCIETY.

*"Software is a gas; it
expands to fill its
container."*

-- Nathan Myhrvold

MISSION

1. Impart excellent education, necessary skills, training, and experimentation capabilities in the field of computer science and engineering.
2. Create a vibrant and intellectually stimulating environment for students to promote innovative and multidisciplinary real-world problem-solving.
3. Develop women professionals and imbibe work ethics and leadership skills in them, thereby helping them pursue successful careers and contribute to science and technology.
4. Collaborate with industry and other universities to help create competent computer professionals.
5. Strive to fulfill the expectations of all relevant stakeholders.

PROGRAM EDUCATION OBJECTIVES

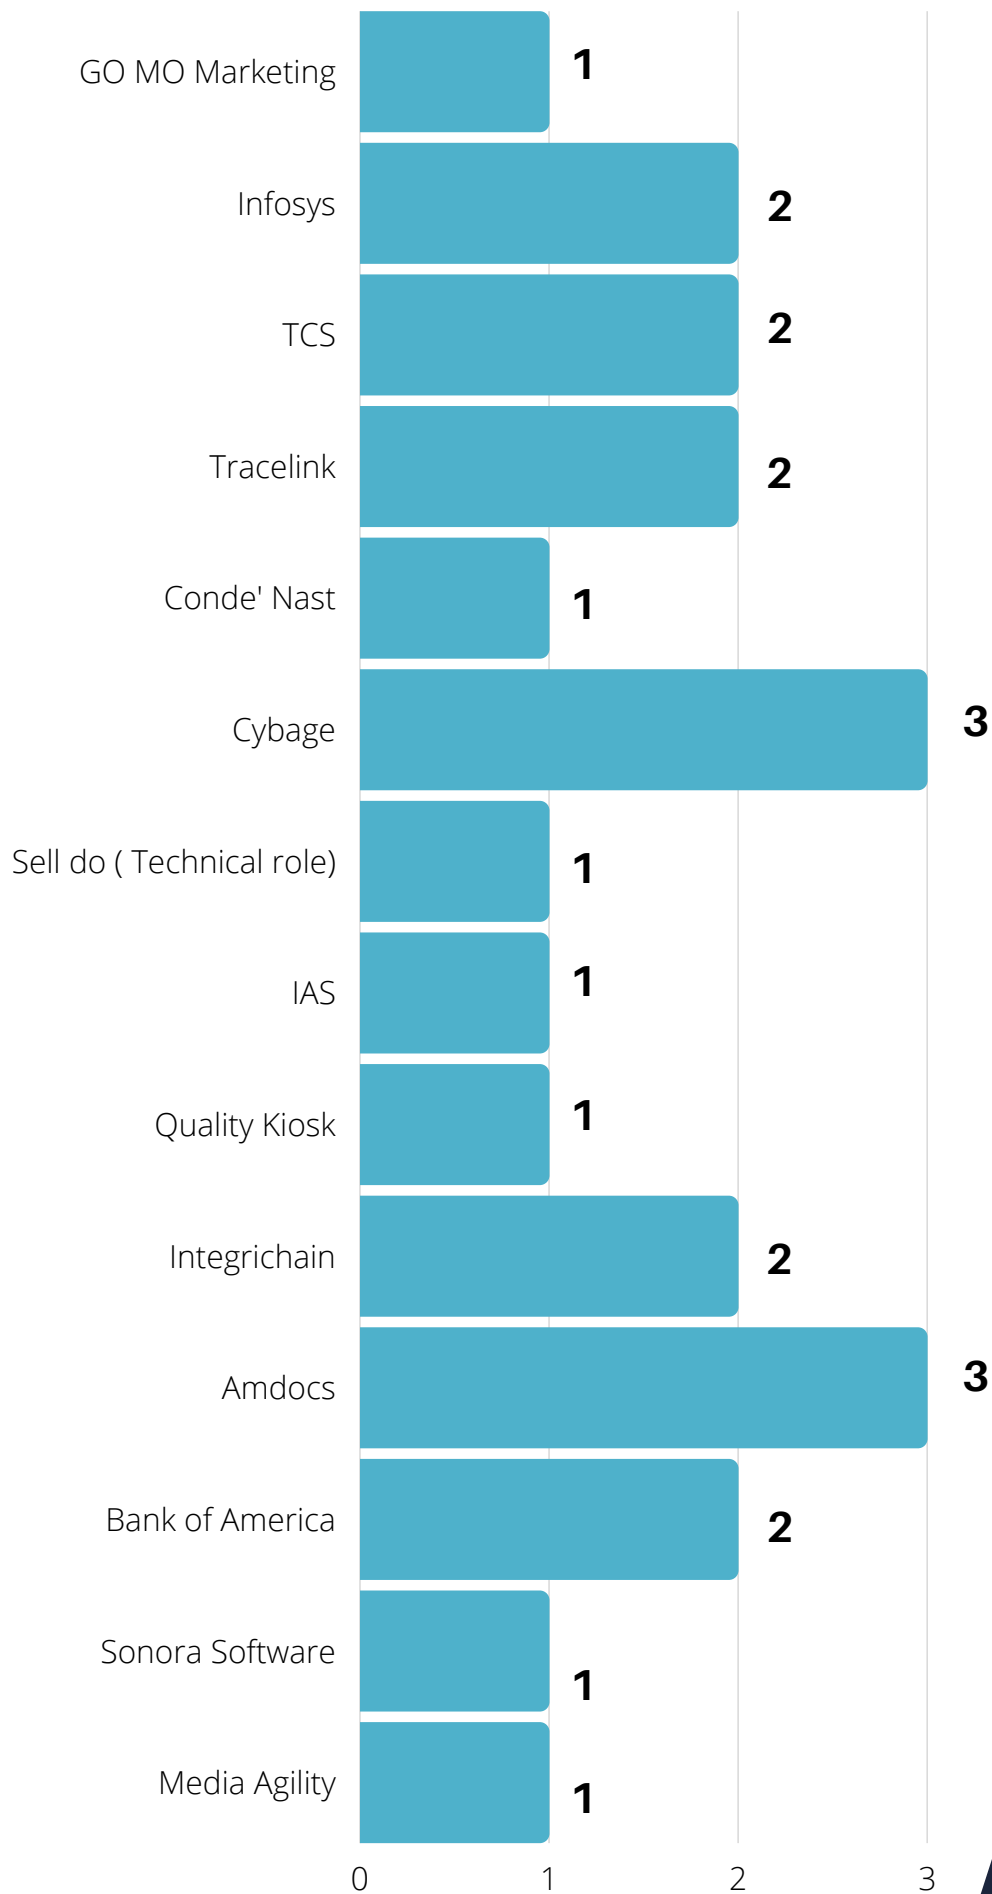

1. To prepare students for academic competence, to be employed as computer professionals, for industry, higher studies, research, entrepreneurship and to significantly contribute to the society at large.
2. To develop students' fundamental knowledge related to mathematics, science, computer science, computer engineering and to make them capable of providing solutions to challenging problems and multidisciplinary problems.

3. To enrich students with soft skills, leadership skills, professional skills, and work ethics to make them good computer professionals and role models for future generations.
4. To prepare students capable of self-learning, to have the ability to adapt to changes, and to possess the ability to understand the impact of engineering on society and humankind.

PROGRAM SPECIFIC OUTCOMES

1. Graduates capable of working in various domains, solving problems by applying knowledge and skills from Software Development, Networking, Databases, Internet of Things, and Embedded systems.
2. Graduates capable of developing, maintaining software services, software products, and embedded systems by applying the entire software development life cycle.
3. Graduates capable of communicating effectively and understand and implement client requirements in various domains with a realistic view of all constraints and sustainability.
4. Graduates capable of pursuing successful careers in industry, higher studies, research, and expected to adapt and contribute to ever-changing and evolving trends.

Placement Details :

Internship Details :

- Number of students getting an internship
- Number of students attending Get-Set groom course
- Number of students working on research internship program by College
- Inhouse

- Internship through placement
- Internship through self-initiative
- Internship through staff initiative

Maximum Stipend: "Vara Kutreti" from Company "DE Shaw " received an amount of 1.50 lakhs pm.
73 Students received PPO till now*
(As on 20th August)

Get Set Groom :

- Get-Set-Groom is a training program conducted by the Department of Computer Engineering for third-year students.
- The program was designed for Sharpening programming skills and promising IT careers to students.
- Various technical and non-technical sessions were conducted as a part of the program.
- Below basic skills which are required to proficiently work in the IT industry, which we're focused on during technical sessions.

1. Following the right coding standards
2. Understanding of previously written code
3. Code debugging techniques
4. Code testing tools and techniques
5. Version management.
6. Software design patterns and SDLC

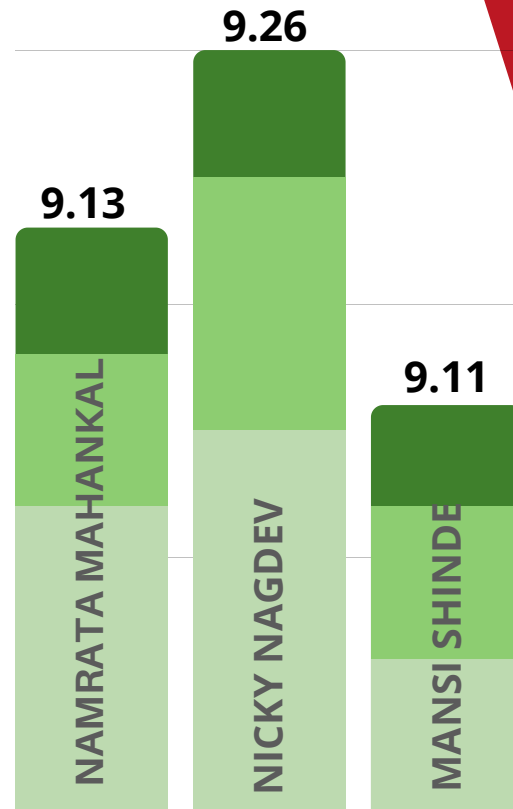

- Industry experts from respective areas were invited who guided students with the industry standards and hands-on on the technologies.
- Expert talks on 'How to face HR interviews', 'Technical interviews' were arranged which was very beneficial for the students.
- Interactive sessions were conducted by the final year students of the Computer department where senior students provided guidance on various aspects like project selection, internship, placement interviews, and much more.
- Overall, the Get-Set-Groom session has helped students to groom themselves in various aspects to get Industry-ready.

Student Achievements:

Special Achievement

Poorva Bhalerao received Eaton Pratibha Excellence Award with Scholarship, organized by Eaton Corporation in January 2021.

Patent for the year 2020-21

1. Zayeema Massom, Sakshi Saoji, Enya Kulshreshtha, Sakshi Karanjekar and Dr. Anjali Naik filed a patent for "System and Method for Lung Cancer Detection" at the patent office Mumbai in June 2021.
2. Dhokrat Sakshi, Dhuri Devina, Funde Utkarsha, Gawali Prajakta filed a patent for " System and Method for Capturing User Gestures to Interact With Virtual Environment" at the patent office Mumbai in May 2021.
3. Kimaya Badhe, Neha Chaudhari, Samruddhi Kanhed, Kanchan Sarkar and Mrs. Sakshi Mandke filed a patent for "System and Method for Individual Identification based on Eye-tracking" at the patent office Mumbai in June 2021.

Project Competition

1. Samruddhi Wagh, Preksha Sakalley, Radha Kulkarni, Bhakti Udwannt participated in Project Competition organized by Vishwaniketan, Khalapur, Raigad on 15th May 2021.
2. Samruddhi Wagh, Preksha Sakalley, Radha Kulkarni, Bhakti Udwannt participated in Technical Symposium organized by Government College, Nagpur from 28th May to 30th May 2021.

Student Achievements

Paper presentation

1. Sawant Siddhi, Shinde Puja, Khaire Rutuja, Mandge Neha, Deshmukh Gauri presented a paper on "Laparoscopic Surgical Phase Recognition Using ML", at ICINC-2021 held on 22nd and 23rd May 2021 which was a national level competition organized by Shreemati Kashibai Navale College of Engineering, Pune and won Best Paper Award.
2. Michelle Thalakkottur presented a paper on "Using Machine Learning in Compiler Optimizations", held from 12th to 14th February 2021 which was a national level competition organized by Pune Institute of Computer Technology, Pune and secured Second Place.
3. Tejashri Kelhe, Chaitanyasu ma Jain, Mansi Bhandarkar, Ashwini Deshpande presented a paper on "A Smart Early Warning System for Disease Outbreak with a Case Study of COVID-19 in India", at 2020 IEEE Pune Section International Conference (PuneCon) held from 16th to 18th December 2020 which was a national level competition organized by Vishwakarma Institutes of Technology, Pune.
4. Sonal Shilimkar, Prajakta Dharade, Ayushi Patel, Pratiksha Thosar presented a paper on "Early-Stage Disease Prediction Using Machine Learning and Image Processing", at ICINC-2021 at SKNCOE held on 22nd and 23rd May 2021 which was a national level competition organized by Shreemati Kashibai Navale College of Engineering, Pune and won Best Paper Award.
5. Sonal Shilimkar, Prajakta Dharade, Ayushi Patel, Pratiksha Thosar presented a paper on "Disease Prediction System in New Normal", at International Journal of Scientific Research & Engineering Trends held from May-June 2021 which was an international level competition organized online.
6. Shreya Patil, Rutuja Kolhe presented a paper on "Sector Wise Impact of -19 on the Indian Economy and Implementation of Possible Strategies for Financial Recovery", at International Journal of Innovative Research in Engineering and Multidisciplinary Physical Science held from May-June 2021 which was an international level competition organized online

Student Achievements:

7. Priti Jha, Anisha Nair, Radhika Kul, Nirali Parikh presented a paper on “IoT based Breakdown Analysis of Equipments”, at International Research Journal of Engineering and Technology (IRJET) held in June 2021 which was an international level competition organized online.

8. Shreeya Patil, Pranoti Pote, Tanvi Vaishnav, Mrinali Jaiswal, Rucha Tatawar presented a paper on “Use and Implementation of Gamification in Enterprise Systems”, at International Research Journal of Engineering and Technology (IRJET) held in July 2021 which was an international level competition organized online.

9. Gayatri Bedse, Divya Ghorpade, Tejashri Gangurde, Shreya Kulkarni presented a paper on “A recommendation system to support the student to choose a role in the college election”, at 6th International conference on ICT for sustainable development held in August 2021 which was an international level competition organized online.

10. Prajakta Narsay, Shivani Pharande, Gargi Deshpande, Anusha Kitture won Runner-Up award in CompE international conference for paper title “Space Object Classification Techniques: A Survey”

Co-curricular Achievements

1. Shreya Shinde won scholarship from Udacity Scholarship Program.
2. Mansi Shinde won scholarship from Goldman Sach's Scholarship Program.
3. Sakshi Pophale won Inspiration Award in Smart India Hackathon.
4. Vaishnavi Rasane, Rutuja Patil, Muskan Nechlani, Rucha Nandgirikar won appreciation letter and a cheque of Rs. 1000/- from Softcorner for their Project.
5. Kranti Gangurde was selected for zonal level in Avishkar Project Competition.
6. Vishakha Narang received certificate of "Best in college" in coding competition of Android App development Program organized by Android Study Jams Developer student club (DSC), CCOEW in January 2021.
7. Richa Pawar received certificate of "Appreciation" in Hackathon Major League Hacking (MLH) organized by ENTREPRENEURSHIP CELL (E cell), Delhi Technological University (DTU) in December 2020.
8. Radhika Sethi was awarded as "Pratibha Eaton Scholar" and received scholarship in Pratibha Excellence Award event organized by Eaton in May 2021.
9. Shreya Pawaskar received 1st prize in Spotle AI-Thon Business Plan Track Competition organized by Spotle.ai in September 2020.
10. Vishakha Narang achieved 26th Rank in Coding Challenge in Finale Round and was awarded for 'Outstanding Performance and Exemplary Contribution' on TechGig.com organized by Techgig in January 2021.

Student Achievements:

1. Pratiksha Jagtap was awarded 'Winner' in Techfest 2020 organized by College of Engineering Pune (COEP) in September 2020.
2. Gauri Amin received Gold Medal in Social Media Marketing Internship college Ambassador organized by TechFest IIT Bombay in September 2020.
3. Aparna Agrawal received All India Rank 172 in India's Superbrain edition 2020 - DBMS organized by Alien Brains on 18 September 2020.
4. Aparna Agrawal won 2nd Prize in ACM Code-It, organized by Maharshi Karve Stree Shikshan Samstha's (MKSSS's) Cummins College of Engineering for Women in October 2020.
5. Aparna Agrawal, Rutuja Wasu, Anshika Dubey achieved national Rank 259, 805, 1579 respectively in Ninja Hire 2.0 Junior organized by Coding Ninja in December 2020.
6. Anshika Dubey received an International level scholarship amount - 1000 \$ USD in Generation Google Scholarship 2021 APAC organized by Google in June 2021.
7. Anshika Dubey achieved national rank 809th amongst 10k+ participants in Code Kaze 2021 organized by CodingNinja in February 2021.
8. Aparna Agrawal achieved an international level Rank 3101st among 80,000 participants in the Kick start Coding Competition organized by Google in December 2020.

Extra-curricular Achievements:

Shambhavi Joshi & Shravani Zope from Kalawant Cultural received 3rd Prize in intercollegiate Natyavachan competition, Symbiosis Karandak 2020, organized by Symbiosis College of Arts and Commerce in December 2020.

Faculty & Students Publications

1. Mrs. Varsha Pimprale along with Sonal Shilimkar, Prajakta Dharade, Ayushi Patel, Pratiksha Thosar published a research publication on "Disease Prediction System in New Normal", Volume 7, Issue 3, ISSN (Online): 2395-566X, held during May-June 2021 at the International Journal of Scientific Research & Engineering Trends (IJSRET).

2. Dr. Chhaya Gosavi along with Sawant Siddhi, Shinde Puja, Khaire Rutuja, Mandge Neha, Deshmukh Gauri published a research publication on "Laparoscopic Surgical Phase Recognition using Machine Learning", SCOPUS held during 22nd-23rd May 2021 at the 6th International conference on "Internet of things, next generation networks and cloud computing" ICINC-2021.

3. Mrs. Varsha Pimprale along with Sonal Shilimkar, Prajakta Dharade, Ayushi Patel, Pratiksha Thosar published a research publication on "Early Stage Disease Prediction Using Machine Learning and Image Processing", SCOPUS held during 22nd-23rd May 2021 at the 6th International conference on "Internet of things, next generation networks and cloud computing" ICINC-2021.

4. Mrs. Sushila Shelke along with Priti Jha Anisha Nair Radhika Kul Nirali Parikh published a research publication on "IoT based Breakdown Analysis of Equipments", e-ISSN: 2395-0056 Volume: 08 Issue: 06 | June 2021, held during June 2021 at the International Research Journal of Engineering and Technology (IRJET).

5. Mrs. Nutan Deshmukh with students published a research publication on "Online Shaming detection on Twitter using Machine Learning", Vol 5, issue 6, held during June 2021 at the International Journal of Scientific Research in Engineering and Management (IJSREM).

Patent and Copywrites

1. Mrs. Pranjali Deshpande's Patent was granted for an invention entitled " System and Method for Providing Musical Notations" application for the term of 20 years from the 25th day of November 2013 in accordance with provisions of the Patent Act 1970 on 21st June 2021 at Intellectual Property of India Patent Office.

2. Jyoti Bangare filed a patent application on "Cloud based Online Crime Reporting System" on 25th March 2021 which was published on 2nd April 2021. Patent Application No. 202141013029 A.

Faculty Achievement and Awards

1. Dr. Chhaya Gosavi was awarded Certificate of Participation for successfully completing partition in the "Guinness World Record Event- Most users to take an online computer programming lesson in 24 hrs" on 24th April 2021 at Guvi.

2. Mrs. Varsha Pimprale's Paper was awarded with "Best Paper" titled "Early Stage Disease Prediction using Machine Learning and Image Processing" in ICINC -2021 on 22nd and 23rd May 2021 at Smt Kashibai Navale College of Engg, Pune.

3. Dr. Chhaya Gosavi's Paper was awarded with "Best Paper" titled "Laparoscopic Surgical Phase Recognition Using MI" in ICINC -2021 on 22nd and 23rd May 2021 at Smt Kashibai Navale College of Engg, Pune.

Faculty as Resource Person

1. Dr.Sunita Jahirabadkar was invited as a ' Member-Expert from parent university' on 5 January 2021 by PCCOE, Pune, nominated by VC of SPPU: 'Board of Studies of Computer Engg' of PCCOE.
2. Dr.Sunita Jahirabadkar was invited for the first meeting of the 'Board of studies of Computer Engg' under 'Autonomous Status' of PCCOE on 5 January 2021 at PCCOE, Pune.
3. Dr.Madhuri Tasgaonkar reviewed the manuscript SPC-JCSC-D-20-00626. An efficient SVM-BWO Model using FUZZY Segmentation for Skin Disease Classification Journal of Circuits, Systems, and Computers, on 6 January 2021.
4. Dr.Madhuri Tasgaonkar reviewed the manuscript WSPC-JCSC-D-20-00708 on 6/01/2021. A timely prediction of Brain Tumor utilizing jointure inward unswerving probabilistic neural network Classifier by Journal of Circuits, Systems and Computers Journal of Circuits, Systems, and Computers.
5. Dr. Chhaya Gosavi reviewed the manuscript SIVP-D-20-00667 to Signal, Image, and Video Processing T AUV navigation guidance on 13 January 2021 by Journals Editorial Office Springer.
6. Dr.Sunita Jahirabadkar was appointed as a member (Academics) of the Computer Department Advisory Board on 1 February 2021 by PCCOE, Pune.
7. AICTE Sponsored 5 Days Faculty Program on " NBA Accreditation and Processes" by Mechanical Engg Dept to Dr. Chhaya Gosavi on 8-12 February 2021 by NIT, Agartala.
8. Dr. Chhaya Gosavi reviewed for the book chapter for "Computing Technologies and Applications: Paving Path Towards Society 5.0" to be published by CRC Press, Taylor and Francis on 10 February 2021 by CRC Society 5.0 Team.

Faculty:

9. Dr.Sunita Jahirabadkar was invited as the subject expert on the RAC panel for research scholars at PCCOE Comp Engg Research center and the schedule of RAC Review of Ph.D. Research Proposals for Ph.D. Admissions 2019 (Round 2) on 22nd February 2021 by PCCOE, Pune.
10. Dr. Chhaya Gosavi guided an MTech Project titled Machine Learning Approach for Crime Rate Analytics on 2 March 2021 at SPPU, Pune.
11. Dr. Sandhya Arora reviewed for the CRC Press, Taylor & Francis Group - Book on "Blockchain Technology" 06/04/2021 CRC Society 5.0 Team.
12. Dr. Neeta Maitre reviewed for book chapters in a CRC book to be published by Taylor and Francis "Computing Technologies and Applications: Paving Path Towards Society 5.0" on 17 April 2021 by the CRC Society 5.0 Team.
13. Mrs.Sakshi Mandke was invited as the external examiner for the Oral Examination of End Semester Examination in May 2021.Subject: Data Structures and Algorithms -II on 24, 25, and 26 April 2021 at Computer and IT Dept, College of Engg, Pune.
14. Dr.Sandhya Arora was invited as the Session Chair for ICINC -2021 on 22- 23 May 2021 at Smt Kashibai Navale College of Engg, Pune.
15. Dr.Sunita Jahirabadkar was invited as the Session Chair for ICINC -2021 on the 22-23rd May 2021at Smt Kashibai Navale College of Engg, Pune.
16. Mrs.Nutan Deshmukh was a part of the Conduction Certificate for Comprehensive Viva Voce (CVV) Exam of S.Y.B.Tech (Computer) for the subject Applied Electronics on 10 June 2021 at Dept of SY Common Engg, Vishwakarma Institute of Technology, Pune-
17. Dr.Neeta Maitre reviewed for the International Conference on Computational Intelligence and Computing Applications-21 (ICCICA-21) on 18-19 June 2021 at G.H.Raisoni College of Engg, Nagpur. Technically supported by AIP in association with GHR Lab and Research Center.

Faculty:

18. Mr. Hitendra Khainar was invited as the external examiner (M.E Exam Coordinator) by Mumbai University to conduct the final viva-voce for the ME INFT student Mrs. Deepti Janjani. Her dissertation title is "Sarcasm Detection on Twitter using Machine Learning and Pragmatic Classifiers."The mode of conduction was online on 23 June 2021 at the Vidyalankar Institute of Technology, Mumbai.

19. Dr. Chhaya Gosavi was the TPC- Reviewer for IEEE International Conference on Communication, Information and Computing Technology (ICCICT-2021), Mumbai, India.(One of the Premier Conferences of Asia Pacific) held on 25-27 June 2021 by Sardar Patel Institute of Technology, Mumbai.

20. Dr. Chhaya Gosavi was the reviewer of papers in the track Artificial Intelligence and Machine Learning for (ICCICT-2021) on 25-27 June 2021 at Sardar Patel Institute of Technology, Mumbai.

21. Mr. Hitendra Khairnar was the reviewer of papers in the track Artificial Intelligence and Machine Learning for (ICCICT-2021) on 25-27 June 2021at Sardar Patel Institute of Technology, Mumbai.

22. Dr.Madhuri Tasgaonkar was the reviewer of papers in the track Signal and Image Processing for (ICCICT-2021) on 25-27 June 2021 at Sardar Patel Institute of Technology, Mumbai.

Research Publication

1. Dr. Neeta Maitre published a research publication on "From experience to exploration - Post pandemic Leadership in Education Domain" held during 21st-22nd January 2021 at the 2nd International Conference on Management Skills and Growth Strategies in the Post-Pandemic Period organised by Prin. L.N. Welingkar Institute of Management Development and Research, Mumbai.

2. Mr. Hitendra Khairnar presented a research paper on "Predicting traffic path recommendation using spatiotemporal graph convolution neural network", volume SCOPUS, held during 25th-26th February 2021 at the 6th International Congress on Information and Communication Technology (ICICT 2021) held on Digital Platform Zoom.

3. Mrs. Sheetal Barekar presented a research publication on "Runtime Redundancy Reconfigurable Fault-Tolerant Static Random Access Memory" from Scopus ISSN:0011-9342 Issue: 5 (2021) | Pages: 169 - 181 held during April 2021 at International Scopus Indexed Journal Design Engineering.

4. Mrs. Rita Shelke presented a research publication on "A residual network architecture for HINDI NER using fasttext and BERT Embedding layers" from Volume: 06 Issue: 06 | June 2021 held during June 2021 at NOVYI MIR Research Journal.

Workshop Attended

1. Dr. Neeta Maitre attended an ATAL 5-day FDP on "Management Information System" held at MEPCO Schlenk Engineering College from January 4th to January 8th, 2021.
2. Mrs.Jyoti Chinchole attended One Week FDP on "Research Trends in Computer Engineering and Information technology (RTCEIT-2021)" held at Smt.Kashibai Navale College of Engineering,Pune from 4th - 9th January 2021.
3. Mrs.Sushila Shelke attended National Level Online 1 week FDP on "Python with Data Structures for Databases, GUI Designing and Web Development" held at Sinhgad Institute of Technology & Science from 6th January 2021- 12th January 2021.
4. Mrs.Jyoti Chinchole attended 1 day FDP on "Software Engineering (SE Course 2019)" held at MMCOE,Pune on 13th January 2021.
5. Dr. Chhaya Santosh Gosavi, Mrs.Madhuri Tasgaonkar attended Pedagogy Workshop on How to Teach Programming Basics TEQIP-III held at Indian Institute of Technology Bombay from 16th December 2020 - 06th January 2021.
6. Mrs.Shilpa Pant attended 6 days FDP On "Research trends in Computer Engineering and Information Technology(RTCEIT-2021)" held at Smt.Kashibai Navale College Of Engineering, Pune from 4th - 9th January 2021.
7. Mr.Hitendra Khairnar, Mr.Mahendra Deore attended AICTE Training And Learning (ATAL) Academy Online 5 days FDP on "Gamification" held at Vishwakarma Institute of Technology, Pune from 18th January - 22nd January 2021.

Faculty:

8. Sakshi Mandke attended 5 Days ATAL FDP on "Blended Learning and Flipped Classroom" held at Vellore Institute of Technology, Tamil Nadu from 18th January - 22nd January 2021.

9. Dr. Chhaya Gosavi attended AICTE sponsored 5 days FDP on "NBA Accreditation and Processes" held at NIT, Agartala from 8th - 12th February 2021.

10. Mr. Mahendra Deore attended 1 Week FDP on "Cyber Security" held at E & ICT Academy, IIT Kanpur from 22nd - 28th February 2021.

11. Dr. Sunita Jahirabadkar attended 2 days workshop on "Generation and commercialization of patent with special Reference to startups, MSMEs, Universities and small inventors" held at MNLU, Mumbai from 27th - 28th February 2021.

12. Mrs. Jyoti Chinchole attended 3 days TEQIP-III FDP on "Technology Startup and IPRS" held at Dr. Babasaheb Ambedkar technological university Lonere, from 15th - 17th March 2021.

13. Mrs. Jyoti Chinchole attended 2 Weeks FDP on "Entrepreneurship Development" held at Sandip Institute of Technology and research Center, Nashik from 15th - 27th March 2021.

14. Mrs. Jyoti Chinchole attended 1 week TEQIP-III FDP on "Recent Advancement in Machine Learning and Artificial Intelligence" held at Rajasthan Technical University, Kota and Poornima College of Engineering, Jaipur from 16th - 20th March 2021.

15. Mrs. Aparna Hajare attended ATAL 5 days Online FDP on "Computer Science & Biology" held at Sri Manakula Vinayagar Engineering College, Puducherry from 22nd - 26th March 2021.

16. Ms. Nilofer Kittad, Mrs. Jyoti Chinchole attended AICTE-ISTE Approved 7 days Orientation/Refresher program on "Improving Excellence in Teaching" held at Anantrao Pawar College of Engineering & research Parvati, Pune, Maharashtra from 24th - 30th April 2021.

Faculty:

17. Dr. Neeta Maitre attended 5 days Online Course on "GIS for supply Chain Management" held at Indian Institute of Remote Sensing, Dehradun from 26th- 30th April 2021.

18. Dr. Neeta Maitre attended AICTE-ISTE Approved 6 days Orientation/ Refresher program on "Business Analytics in Management Research " held at Bhartiya Vidya Bhawan Institute of Management Science, Kolkata, West Bengal from 3rd - 8th May 2021.

19. Dr. Anjali Naik, Dr. Sunita Jahirabadkar attended 2 week FDP On "Entrepreneurship, innovation & Incubation" held at Udyogwardhini Shikshan Sanstha, Nashik from 17th - 31st May 2021.

20. Ms. Nilofer Kittad attended 3 Days FDP on "Research Funding projects & IPR (Part-II) held at K.C. College of Engineering & Management Studies & Research Thane (W) from 7th - 9th June 2021.

21. Dr. Chhaya Gosavi attended a 1 day Workshop on "Effective and Efficient Online Teaching" held at Bodhi Tree IIT Bombay on 12th June 2021.

22. Mrs. Varsha Pimprale attended 5 days ATAL FDP on "Application of artificial intelligence in Business" held at Davangere University, Shivagangotri from 21st - 25th June 2021.

23. Sakshi Mandke attended 5 Days ATAL FDP on "Data Science for Healthcare" held at Vivekananda College of Engineering for Women, Tamil Nadu from 21st - 25th June 2021.

CSI CHAPTER:

The Computer Society of India is the largest Nationwide organization of its kind. Our Institute started its own CSI student branch in the Computer Engineering department on 7th August 2008.

CSI CCOEW Chapter - Events

1. Introductory Session

This session was mainly focused on making the CSI CCOEW members familiar with each other.

Students played virtual games and introduced themselves. All the students interacted with each other and the session ended successfully.

2. Communication Skills and Its Importance in Work Life

A session on Communication Skills and Its Importance in Work-Life was organized on 27th March 2021. The workshop focused on cultivating the importance of communication skills and soft skills in the minds of future women engineers. It highlighted how soft skills are as important as technical skills. The workshop was organized for CSI Student Chapter CCEW Shweta Goswami was the speaker for the session.

3. Panel Discussion

A Panel Discussion on Career Opportunities after Engineering was organized by the CSI CCEW chapter on 22nd April 2021 which was open to students of CCEW and CSI members of different Engineering colleges like VIT, COEP, PICT, VISIT, and Sipna College of Engineering and Technology, Amravati. Nearly 80 students participated in the panel discussion. Many of the CCEW Computer Science faculty members joined the panel discussion. The main focus of this Panel Discussion was to highlight various paths one can pursue after Engineering. The guests for this event were from distinct backgrounds from an Entrepreneur to a travel Blogger to a placement officer and an Alumna of CCEW. They discussed and answered different questions related to the topic and enriched the students with their different perspectives. The Discussion gave various career insights to the students. The session had the active participation of all the students.

ACM activities :

1st January 2021 - 30th June 2021

The CMW Regional event "INNOVATION- A STEP TOWARDS WOMEN ENTREPRENEURSHIP" was place on March 3rd, 2021, and was co-hosted by the student chapters of PCCOE, PICT, and CCOEW ACMW.

The "Mind Hacks" webinar was held on March 26th, 2021, with Prof. Yatharth Verma as the resource person.

Mr. Abdul Hussain, ICERTIS, was the resource person for the webinar "NLP" on April 17th, 2021.

On April 24, 2021, a webinar titled "Getting Started with Machine Learning" was held with Nikita Gandhi, Google as the presenter.
