The Ganesh Vandana was performed to seek the blessings of Lord Ganesh. Under the initiative of Azadi ka Amrut Mahotsava, the Yoga performance was performed. Principal

The event took place in KB Joshi. There were 6 teams representing each department i.e. Comp, IT, Mech, Instru, Entc, and BSH and each team had 5 participants (2 faculties 3 students).

We all need an escape from our everyday life into a world of glitters and darks,

Gods and Goddesses, angels and elves. Let your creativity run wild to build your own imaginative world.

2 Peace

Ukraine is under attack. violence is never an option. The theme has to portray that peace is what we stand for.

3 College life

This theme has to portray the years you spent as an offline college and what you missed in your online college. Bits that you loved, bits that you hate during this year. How is it coming back on campus?

Treasure Hunt

There were 27 teams of size 2 participating in the event (one team for each class). All of the participants started their hunt from instru quadrangle. All participants were given an initial clue there which led to the next one till the final place. There were 6 paths with 10 places each. Each path was color coded with different colors.

Trashion

In this competition the participants got the first two and a half hours to prepare their fashionable outfits and the later half an hour was for ramp walk and questions asked by our judge.

BE Fashion Show

The BE Fashion Show has always been an event for which all fourth year students wait for with bated breath and this year was no different. The prompt was to perform a choreographed fashion show on a theme of their choice in 12 minutes, where 10-13 members from each class could walk the ramp with 4 additional students helping with the lights, sounds and HMU. We had extremely renowned judges to assess the performance of the teams - Ms.Neelima and Mr. Shubham Shinde.

Art exhibition was conducted on 18th and 19th October 2019. This event was a platform for the students to showcase their art skills. The event was inaugurated by college Registrar Ms. Revati Gore on the first day at 10am.

Paintings, sketches, doodles, photographs and various types of art and craft forms like embroidery, origami, pottery or pot painting, sculptures, paper cutting and quilling etc. were showcased in the exhibition.

Students and faculty members submitted their art/ craft form to the coordinators. Coordinators displayed selected forms in a creative manner. More than 200 artworks were showcased.

Cummins students and staff visited the art exhibition on both days. Parents and alumni also got a chance to visit an art exhibition on the second day.

Reviews and comments encouraged the student team to arrange more such events.

Principal

Gandhaar 2019
Cultural festival at MKSSS's Cummins college of Engineering for Women , Pune

The cultural festival "Gandhaar" of Cummins College of Engineering for Women, Pune was organized from 15th March 2019 to 18th March 2019.

Started back in 1993, it was held with the objective of encouraging students to hone and showcase their talent and creativity. It proves time and again that Cummins College, along with the support of Maharshi Karve Stree Shikshan Sanstha not only produces accomplished engineers, but also virtuous, creative members of society.

Organized entirely by the student body, it is always the biggest event of the year and brings with it palpable energy to the campus.

True to its name, the fest flows with beautiful harmony from bustling dance and live music performances to quiet poetry readings and painting competitions, to name a few. Decided in January 2019, the theme the year was INDIA-- Incredible, Diverse, Astir was full of performances by the participants.

"Harishchandrachi factory" was the first day of Gandhaar, which was about Indian film, music and dances and many related events such as a multi-cultural inaugural dance, antakshari, stand-up, and a treasure hunt organized by the debate club of the college.

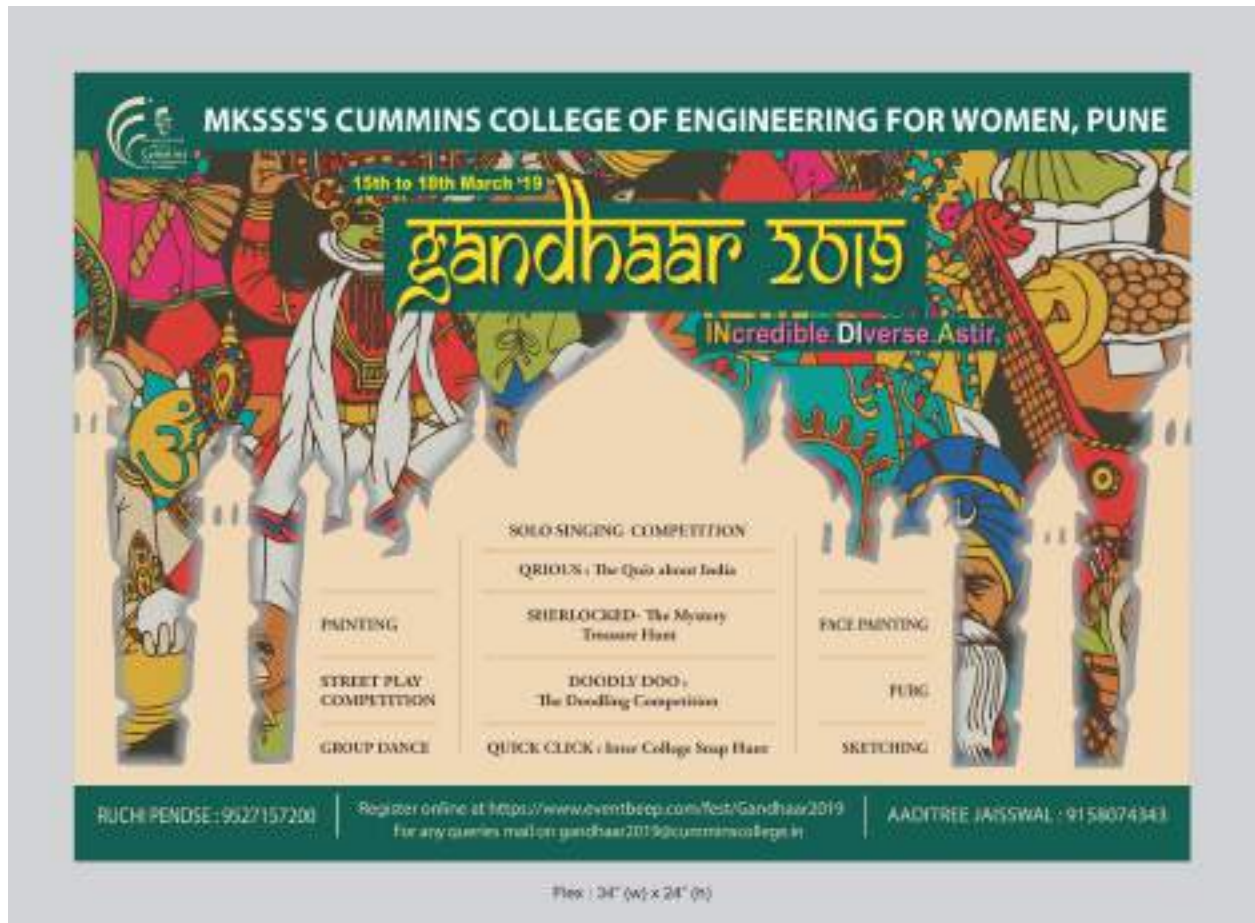

A spin on a fashion show with "Trashion" to spread awareness on environmentally sustainable clothing was also held post staff performances.

The second day, "How's the Josh", was a tribute to the brave men and women of the country of the military forces, which hosted related themed competitions. The night celebrated later was the popular DJ Night.

The intercollege day "Ready for the World" was the third day of the fest, which hosted various events such as street plays, dance-offs and even a photography competition. At night, there was a BE fashion show enjoyed by everyone in the audience.

The final day of the fest was "Sanskriti" & marked by performances of Cummins Karwaan and classical dance performances by the students. After the much awaited poetry reading by the students and staff, our chief guest, an alumna of the college, handed out the Sports, Academic and Best Outgoing Student trophies. The night ended with everyone stuffed with the delicious dinner made in the sanstha's kitchen.

Gandhaar 2017-2018

The cultural festival “Gandhaar” of Cummins College of Engineering for Women, Pune was organized from 19th January to 22nd January 2018.

The theme of cultural fest was “The 90’s Remix”.

The specific details of all days conveyed to all students were as follows -

20th January, Day 1

Transport yourself back in time to the glorious 90s where college girls used to rock long, flowy skirts and loose dungarees!

21st January, Day 2

Get your desi tadka on and club your western clothes with your traditional ones to create an amazing fusion! Get creative girls!

22nd January, Day 3

And of course, how can any Gandhaar ever be complete if there's not a single day where the girls don't have their elegant traditional wear on? Ladies, get your sarees out for this Traditional Day!

Before this, to commence with the cultural season, they had organized Pre-Gandhaar Class Events which were as follows:

1. Class Selfie - To be uploaded on Facebook and Instagram. Tag the official Gandhaar 2k18 Page. Photo with maximum likes wins.

2. Class Mannequin Challenge - To be uploaded on Facebook and Instagram. Tag the official Gandhaar 2k18 Page. Video with maximum likes wins.

3. Essay Competition - The topic for the competition is: **Around the World in 8 Days: My Itinerary of a Weeklong International Holiday.**

For every article that the editors deem fit to be published in this year's Kshitij, the article will receive an additional 5 points. **This means that every article that is good enough to be included in the magazine earns its class 10 points.**

4. They also had Tug OF War competition for all staff members department wise on 18th January.

We also had our links on Facebook & Instagram which had all announcements regarding all activities in Gandhaar.

The Facebook link -
