Name of the Activity: Tree Plantation Camp

Date of the Activity Conduction: 20th September 2019

Short Report of the Activity: As we all know that the whole world is facing the problem of global warming and to recover from such problems planting trees has become one of the most important aspects. The National Forest Policy aims and emphasizes at maintaining 33% of the country's geographical area under forest and green cover. In view of this and as a part of the 50-crore plantation programme within Maharashtra, the Maharashtra Forest Department aims to plant 4 crore saplings all over the State. Hence for a better start we the members of NSS conducted a tree plantation camp in our college campus. This plantation session took place on 20 September 2019. The student's teachers also actively participated in the activity. We planted different types of trees on our campus. Each student took the responsibility to nourish and maintain the allocated plant. The committee decided to proceed with the same inspiration, enthusiasm and zeal to enhance the beauty of the college campus and keep the environment healthy.

NSS Activities in AY 2019 – 2020

Name of the Activity: Sinhgad Swachata Abhiyan

Date of the Activity Conduction: 23rd Feb 2021

Short Report of the Activity: At the camp location Mr. Shahir Hemant Mavale encouraged students by telling them about our very own and great warrior Shri Shri Shri Chhatrapati Shivaji Maharaj who was the one who initiated the footsteps of Swaraj. Tanhaji Malusare - the warrior who earned the fort from Mughals back. Shahir Hemant Mavale sang a Povada depicting the story of Tanhaji Malusare and Chhatrapati Shivaji Maharaj. Students started a cleanliness program drive to clean the fort from Pune Darwaja to Kalyan Darwaja. After the activity ended, the students returned safely to the starting point. The trek brought a lot of motivation and willingness to perform such activities and help nature recover from the loss. Around 25 volunteers took part.
